Sir, I would like to give a slight explanation with regard to answer (*c*). The word appointment there is used in rather a vague sense. The figures 27, 3, 3, 5, 4 etc., show the number of times people were appointed and they do not represent the actual hands appointed. It does not represent the present strength of the acting taff.

Mr. V. K. Krishnankutty *(Ezhuvas-Trichur):* (*b*) represents the number ?

Rao Sahib I. N. Menon *(Director of Public Instruction):* Yes.
